Services

Successful bidder will be required to enter into contract and register through the city's Vendor Service portal.

All property of successful bidder located at the Events shall be at the sole risk of bidder. Bidder shall be responsible for any damage directly resulting from malfunction of bidder's equipment.

Duties of CRPD

CRPD agrees to supply keys for access to facilities determined to require contractor access, and notify successful bidder whenever changes are required.

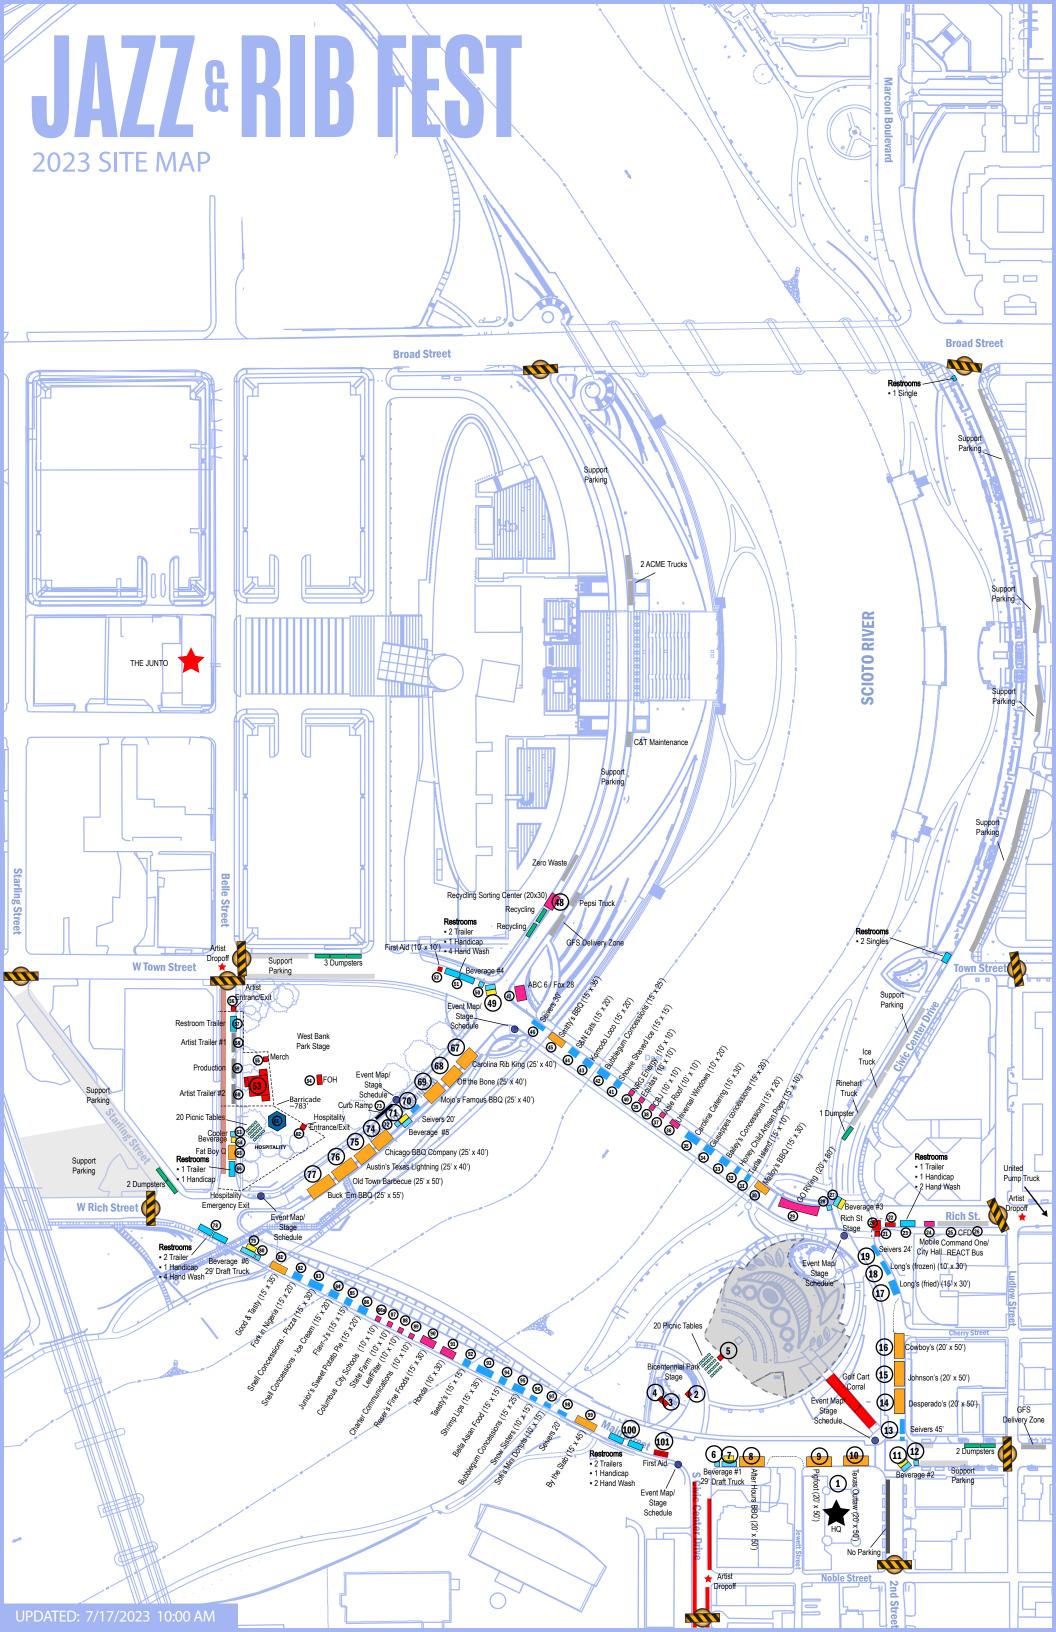

Performance

If the Events are unable to occur for any reason, this contract will be null and void with no damages due either party. The only exception to this would be if the Events were cancelled prior to opening but after successful bidder had begun delivering cleaning/sanitation services, in which case successful bidder would be compensated for work done up until time of cancellation. Under these circumstances successful bidder agrees to provide an itemized list of costs incurred.

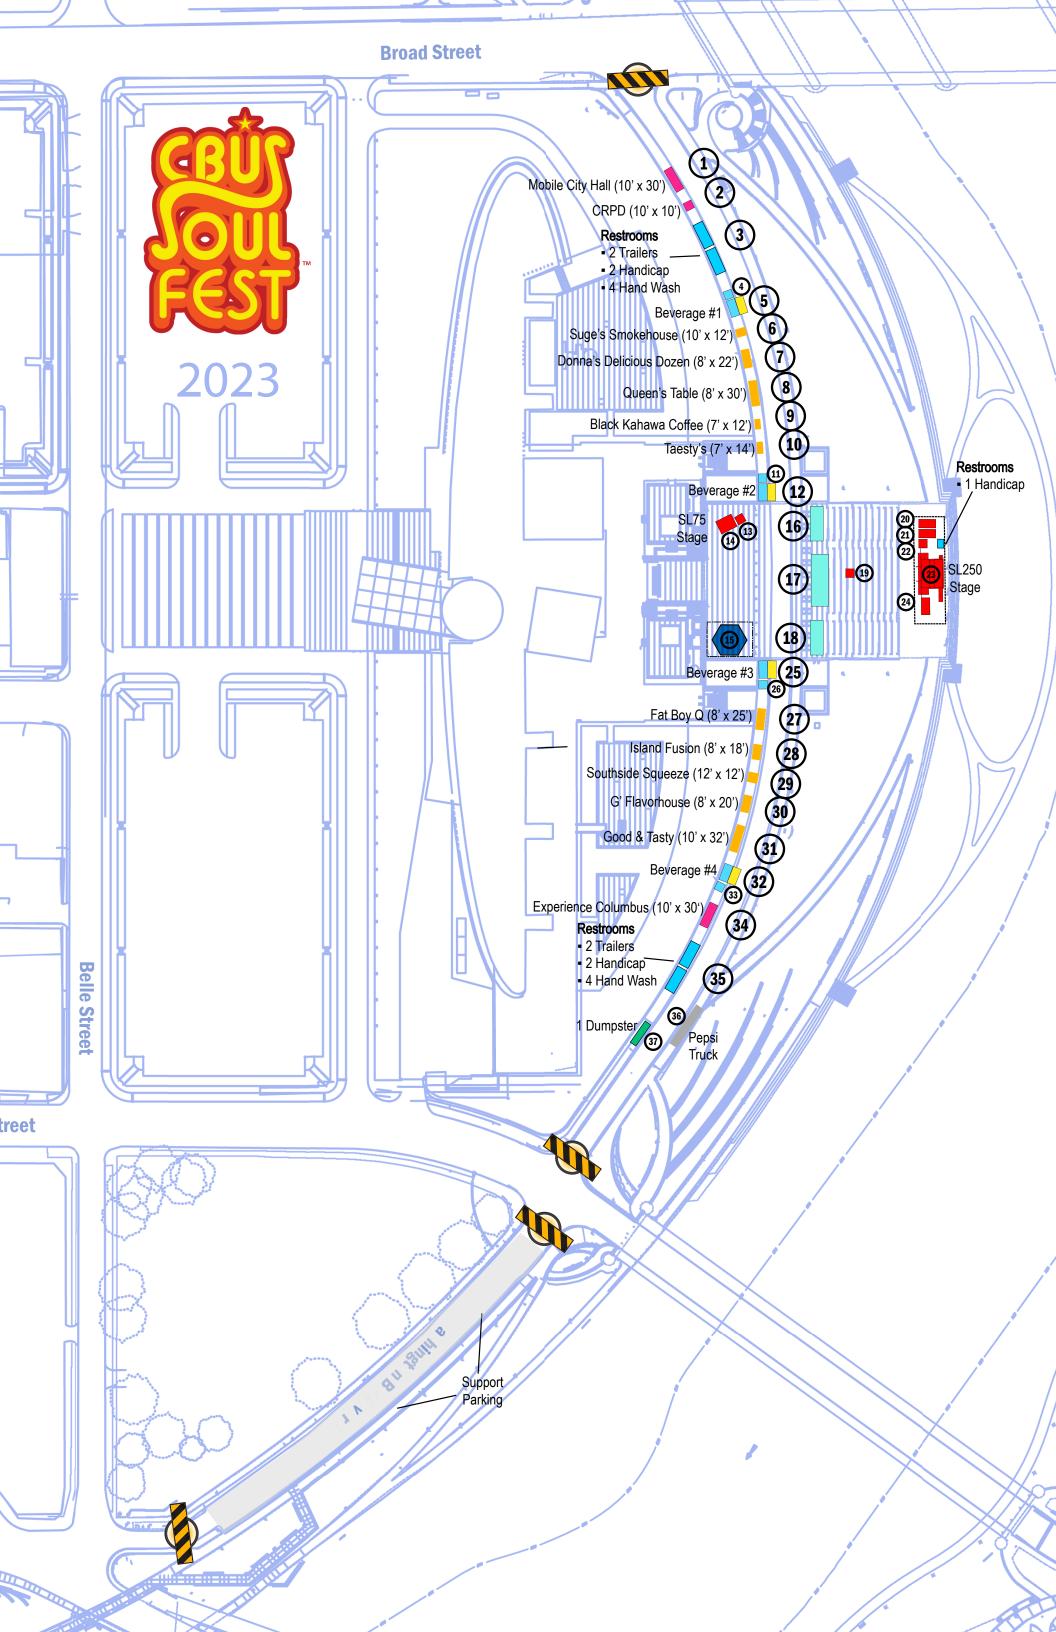

Project Scope Event Cleaning Sanitation Services

Compensation

CRPD shall pay successful bidder for cleaning/sanitation services for the Events. Balance to be paid within 30 days of the close of each event and receipt of invoice.
